## Please be informed, that

- When parents in Miami: parental authorization form must be signed by both parents before a local Public Notary and legalized by the Ministry of Foreign Affairs (MFA) of Miami.
- When any parent or both outside Miami: parental authorization form must be signed and legalized before the corresponding Embassy/Consulate of Spain in the 3rd country. You can check here the list of the Embassies/Consulates of Spain worldwide http://www.exteriores.gob.es/Portal/en/ServiciosAlCiudadano/Paginas/EmbajadasConsulados.asp

Lack of authorization by both parents could result in the denial of the visa application, **unless judicial resolution on the sole parental responsibility of the child is presented** by the applicant parent, the content of which would be examined (translated into Spanish/English and legalized by the Ministry of Foreign Affairs of the country producing the Certificate and the Embassy of Spain in such country)
